Dr. John J. Bergquist

Honorary Senior Class President

The Class of 1978 has become acquainted with over one hundred faculty members. The selection of one outstanding instructor, however, was not a difficult task. This individual not only displays professional demur but is a talented educator and lecturer as well. His rapport with patients and students is unequaled.

We the Class of 1978 wish to express our gratitude and appreciation to the Honorary Senior Class President, Dr. John J. Bergquist.

The Gorgas Odontological Society was organized in 1915 as a student organization, and later it was changed to an honorary student dental society with scholarship as a basis for admission. The Society is named after Dr. Ferdinand J. Gorgas, a pioneer in dental education and a great contributor to dental literature, and it was with the idea of perpetuating his name that the Society adopted it.

The Society makes for its objective the furtherance of dental knowledge by discussion and lectures. Gorgas is comprised of junior and senior members whose scholastic endeavors have placed them in at least the top third of their class. Four dinner meetings are held annually with guest lecturers selected to speak on diverse topics of interest to students and practitioners of the dental profession.

Zeta Mu Chapter of Alpha Omega Dental Fraternity planned a Calendar complete in the tenets of the fraternity. Academics were emphasized throughout the year as seen in monthly seminars with both local and non-local alumni. Fraternally, the alumni sponsored an Alumni Undergraduate Program, highlighted by a dinner-speaker evening. Baltimore Alumni and Zeta Mu enjoyed several Monday night scientific dinners which featured guest speakers. The close contact of members helped build a large pledge class in Rush Week '77. A Wine and Cheese Tasting party and Rush Breakfast were the featured events of the week. Socially, the fraternity sponsored a September "Welcome Back Crab Feast" at Pier 7 on the scenic South River. An Evening at Ski Liberty was also enjoyed by fraters as well as our annual Winter Party, which featured wine, cheese, deli, movies, and a band. Topping the social season, Zeta Mu attended the annual Spring Away Weekend in Colonial Williamsburg.

In support of the international fraternity and the Alpha Omega Foundation, Zeta Mu embarked on a T-shirt sales campaign to raise funds to donate to the Hebrew University Dental School in Jerusalem, Israel. Alpha Omega founded and maintains that institution.

Delegates from Zeta Mu attended the International Convention in Dearborn, Mich. where Zeta Mu was awarded the "Chapter Efficiency Award" for the best all-around Alpha Omega undergraduate chapter.

The undergraduate Alpha Chapter of Psi Omega has been an active and growing professional dental fraternity at the University of Maryland during 1977-1978. Dinner meetings and social get-togethers helped the brothers and sisters of Psi-O to take a break from the academic world and relax. Activities included a "Sailing Night" on the Inner Harbor, Colt Night, a dinner theater and a panel discussion sponsored by the alumni Oriole Chapter. An open party and joint undergraduate/alumni breakfast comprised Rush Week activities. The year ended with Psi O's biggest event — the "Faculty Appreciation and Awards" night.

Fraternalism and the high standards of the dental profession are qualities one can find in Psi Omega. The officers and faculty advisor have worked diligently this year to achieve these worthwhile objectives for the Psi Omega membership.

Xi Psi Phi Fraternity has once again enjoyed an excellent year. Dinner meetings, the annual crab feast and the Christmas party at the Barge Restaurant highlighted the first semester. The Away Weekend to Ocean City highlighted the warmer part of the year and those informal get-togethers at Tiger's and B. J.'s apartments have become an integral and relaxed portion of the social schedule. We would like to thank our officers, members and advisor, Dr. George Buchness, for making the year very enjoyable.

"Very ingenious presentation, sir.
But I have a practice to get going first."

With M.O.N.Y. and Paul Patterson, you can do both!

I've found in dealing professionally with dentists almost exclusively, that until your practice really takes hold, it's often tough enough finding cash for the absolute necessities. Do you agree? If so, call your professional at MONY for details.

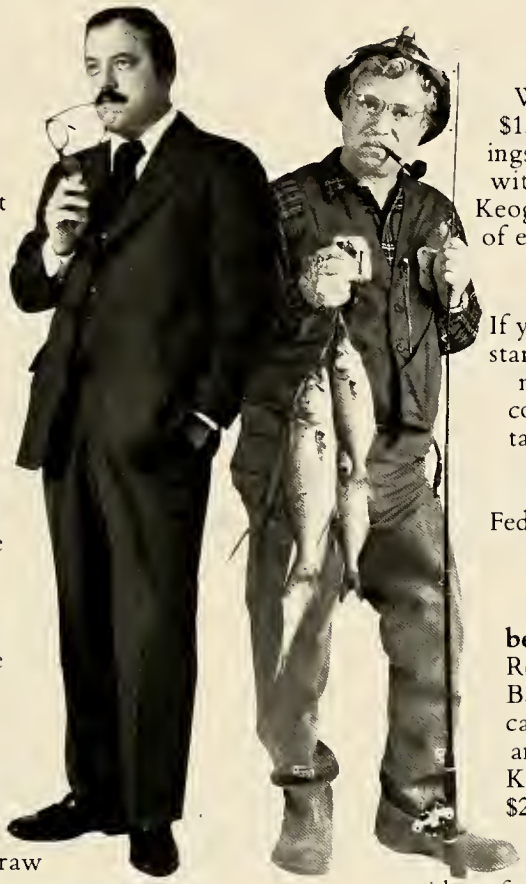
The Baltimore Federal Retirement Plan

It'll work for the rest of your life, so you won't have to.



What will you live on after retirement?
Could be you're just too busy earning a living to think about retirement. But if you'd rather not work right up to the last day of your life, retirement is a problem you must solve. The sooner, the better.

Baltimore Federal has an excellent solution.
If you are a full or part-time wage earner not participating in a qualified pension or profit-sharing plan, you are eligible for a tax-deferred Individual Retirement Account (IRA) at Baltimore Federal.

If you are self-employed (full or part-time), you qualify for a tax-deferred Keogh Plan at Baltimore Federal.

Start now and get a tax deduction of $1500 to $7500 this year.
Every penny you put into a Baltimore Federal Retirement Plan is deductible from your taxable income! You don't pay any taxes until you begin to draw upon the fund at retirement, when your exemptions should be higher and your tax bracket lower.

With an IRA, you can contribute $1500 or 15% of your annual earnings, whichever is less (up to $1750 with a Spousal IRA account). With Keogh, you're allowed $7500 or 15% of earned income, whichever is less.

Cut your 1977 tax bill by hundreds of dollars!
If you're in the 25% tax bracket and start your Baltimore Federal Retirement Plan this year, a $1500 IRA contribution will save you $375 in taxes. *In a 50% tax bracket, a $7500 Keogh contribution will give you tax savings of $3750!* Moreover, both Federal and Maryland income taxes on the interest earnings of your funds are tax deferred.

If you're 42, $5000 this year becomes $29,718 when you're 65.
Retirement Plan contributions earn Baltimore Federal's highest certificate savings rate — currently 7¾% annually! So, if you're 42, a $5000 Keogh Contribution will be worth $29,718 and a $1500 IRA contribution will be worth $8915 when you're 65. The chart will give an idea of the "extra" dollars the Baltimore Federal Retirement Plan will provide you.

Annual Contribution	Retirement With BF Plan	Retirement Without Plan	"Extra" Dollars for Retirement
$ 500	$ 24,882	$ 14,696	$ 10,186
$1500	$ 74,646	$ 44,088	$ 30,558
$2500*	$124,411	$ 73,480	$ 50,931
$5000*	$248,821	$146,960	$101,861

*Keogh Plan only
The above figures represent a 20-year projection based on a single annual contribution the first of each year, assuming a 25% income tax bracket and a continuance of the 7¾% annual interest rate.

Let Baltimore Federal help you get a break on this year's income tax and plan for a richer retirement. Call us. Visit our nearest office. Or fill out and return the coupon. And do it now. Time waits for no one.

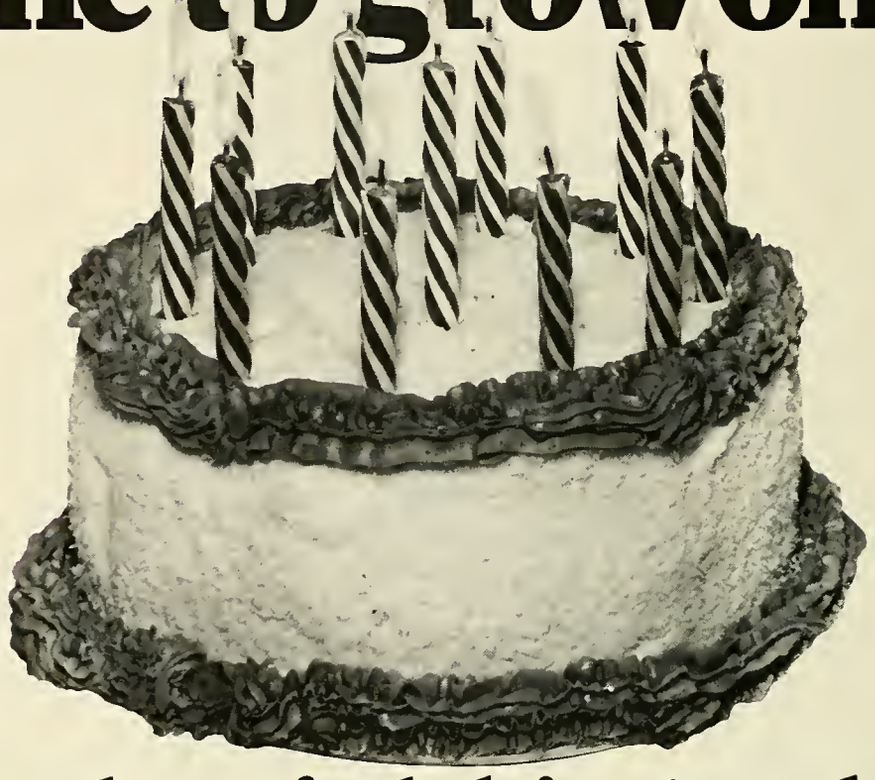
Ten candles and one to grow on.



Thank you for helping to make our 10th year the best yet.

We've grown a lot since we first opened our dental laboratory 10 years ago. Maryland dentists have learned to associate Aronovitch Dental Laboratories with quick, dependable service. They know whether the work desired is fabricating porcelain fused to gold, porcelain jackets, aluminous porcelain jackets, Cermalloy® crowns and bridges or "precision" removable partials . . . Aronovitch is one of Baltimore's largest laboratories specializing in these services. Of course, being a full service dental laboratory, we also offer the same fine quality in our cast removable partials and full dentures.

Aronovitch has proven to be both expert and innovative. Both reliable and quick. Both responsive and competitive. Thanks to you we are celebrating our tenth birthday with an extensive expansion program in order to serve your needs even better. You and your patients deserve the best: And you only get the best from Aronovitch Dental Laboratories.
